

# Kevin Divinagracia

## Front End Developer, UI/UX Designer

As a dedicated and experienced Front-End Developer with a background in I.T Support roles, I excel at creating visually appealing and user-friendly interfaces to enhance overall user experiences. My proficiency in HTML, CSS, and JavaScript allows me to consistently deliver exceptional results. I am skilled in UI/UX design and possess strong collaboration, problem-solving, and attention to detail, enabling me to craft intuitive and engaging user interfaces driven by a passion for outstanding user experiences.
